

Kinetic

Kinetic (2019) is a groove that builds and shifts overtime before coming together at the close. Bits of counterpoint come from moments of greater homogeneity to create these shifts. Intermingling between a fanfare and a shuffle groove, **Kinetic** mutates and develops them.

I had the honor of being asked to write this piece for a recording by the UNCG Brass Quintet (Trumpet - Flint Franks, Trumpet - Robert Elliott, Horn - Elliott Stanger, Trombone - Brannon Kling, Tuba - Lincoln Myers) whose performance is captured in this recording.
